

## **AGREEMENT**

**between**

**Ecole Nationale Supérieure d'Informatique Pour l'Industrie et l'Entreprise, Evry,  
CEDEX, France**

**and**

**Cranfield University, Cranfield, Bedfordshire, MK43 0AL**

Considering:

1. the relations established between Ecole Nationale Supérieure d'Informatique Pour l'Industrie et l'Entreprise (ENSIIE) and Cranfield University
2. the wish expressed by the authorities of both institutions to establish regular collaboration in fields of common interest
3. the advantages of such a collaboration for promoting teaching and research as well as for the further training of professors, scientists and students

This Agreement has been concluded in the following terms:

- **In respect of students from ENSIIE:**

ENSIIE students who have successfully completed four years of post 18 study are eligible to apply for direct entry to Cranfield University Master of Science programmes.

The candidates must be competent in English (with a minimum score of 800 in the TOEIC test or equivalent examination).

The students will be registered for Cranfield University MSc degrees.

On successful completion of the Masters programme, the students will be awarded the Cranfield MSc. Credits earned at Cranfield University can be transferred to the diplôme d'ingénieur de l'ENSIIE. The recognition mechanism should be clarified with the respective department at ENSIIE before the student starts the MSc programme at Cranfield.

- **In respect of students from Cranfield University:**

ENSIIE agrees to offer each year MSc research projects to Cranfield students in its laboratories or with associated institutions. Admission to ENSIIE for MSc research projects will be decided on a case-by-case basis and depends on the availability of suitable research projects.
